WHY CARE FOR THE EARTH?

In Genesis, God blessed humanity and said to them, *"Be fruitful and multiply and fill the earth and subdue it and have **dominion** over every living thing that moves upon the earth."*

To have dominion in a Godly sense is to be a **caretaker**, to cultivate intimacy with what we are responsible for.

WHAT IS HOLY COMMUNION?

Communion is one of the two sacraments celebrated in our church. It is both a gift and a commandment from Jesus. Matthew 26 describes it: *Jesus took a loaf of bread, and after blessing it he broke it, gave it to the disciples, and said, "Take, eat; this is my body." Then he took a cup, and after giving thanks he gave it to them, saying, "Drink from it, all of you, for this is my blood of the covenant, which is poured out for many for the forgiveness of sins.*
